

DANA GLOBAL MATERIAL COMPLIANCE

Date: 26th March 2025

EU REACH Regulation EC/1907/2006 Compliance Declaration

In compliance with the EU Regulation EC/1907/2006, which entered into force on 1st June 2007, Dana Incorporated has reviewed its operations at the requested facility.

We are primarily downstream users of REACH and accept that we have a central role in managing the information flow between customers and suppliers. Dana Incorporated has implemented a protocol and procedures based upon the guidelines to ensure all Dana facilities fully comply with the Regulation. We confirm that all parts supplied by Dana Incorporated comply with REACH requirements, as our products contain none of the 247 SVHC substances listed on the Candidate List updated on 21st Jan 2025

This communication serves as a declaration of our compliance with the REACH Directive and a confirmation of the continuity of supply.

Thank you for your understanding and support. We appreciate your cooperation.

Yours sincerely,
Dana Global Material Compliance Team
